

**Coaches, Athletic Directors, Trainers, Cheer Advisors and Administrators,**

We invite you to join the **Montana Coaches Association**, a professional organization dedicated to the betterment of athletics in Montana Schools. We have been serving coaches since 1966 and offering the **MCA All Sport Coaches Clinic** since 1968.

You may join online at [www.montanacoaches.com](http://www.montanacoaches.com) **MCA dues are \$40**, a great deal for active coaches who are covered by our million-dollar personal liability insurance while coaching MHSA sanctioned sports. Our membership year begins June 1<sup>st</sup>. The liability insurance year runs August 1 – July 31, so if you need liability insurance in June or July, you must have last year's membership.

The **liability insurance policy** and our **complementary admission** to regular season high school and college athletic contests are easily worth more than the cost of the dues. See many other membership benefits on the MCA website.

We also encourage you to attend the **MCA All-Sport Coaches Clinic** each summer in late July or early August.
